

## PREFACE

First and foremost, I'd like to express my heartiest deep-felt thanks to Almighty Allah for His showers of blessings throughout my thesis work that I can finally complete this undergraduate thesis entitled "**The External Factors Affecting Investment Interest on Students**". This undergraduate thesis is prepared as one of the requirements to obtain a Bachelor of Economics degree in Accounting Study Program, Faculty of Economics and Business, Universitas Padjadjaran.

In preparing this undergraduate thesis, it is certainly not apart from the guidance, assistance, and support from various parties directly or indirectly. Therefore, I would like to thank as much as possible to all those who have prayed and supported me.

Special thanks to my family, Ayah Hersamsi Bustaman, Ibu Santi Setiawati, and Adek Seza Ramadhani who always give love, support both morale and material along with unstop and continuous prayer for me.

In addition, the author's gratitude also conveyed to the parties who have provided assistance, which are:

- I would like to thank my thesis advisor, Citra Sukmadilaga S.E., M.BA, Ak, Ph.D. (Pak Aga) whose patiently guide me since the first time I pitch my undergraduate thesis idea and asked Pak Aga to be my thesis advisor. I have been lucky to have Pak Aga as an advisor who really cared about my vision about my undergraduate thesis and patiently responded to all of my basic and sometimes unnecessary questions importantly questions regarding the statistics because I know nothing about it in the first place. Thank you so much Pak Aga, I couldn't have done it without your help and patience.
- Mrs. Hj. Prima Yusi Sari, SE., ME., Ak, and Mrs. Tettet Fitrijanti, S.E., M.Si, Ak., SAS my thesis assessors who gave valuable insights and

suggestion for the improvement of my thesis.

- All Staff of Academic Sub Division Faculty of Economics and Business Universitas Padjadjaran that has helped authors complete academic administration. Especially Pak Rahmat who is patiently answer all of my questions
- Ardiansyah Putra Mahadika, my significant other, for his non stop support since the beginning of my college life. Thank you for putting up with this rollercoaster of emotion with me, you always be there to listen and calm me down, I panic and complain a lot, I know so thank you so much. Thank you for trying to understand my topic and help me brainstorm the phenomenon, you actually the one that figured out one of two big phenomena. Thank you for helping me finish some of the graph, taught me how to make table of content, designing the poster, and last but not least for borrowing me your laptop for more than a month. I would literally and figuratively can't finish this without you — not exaggerated. You know that. So, thank you.
- My friends who also plays a big role as my informal advisor in this undergraduate thesis: Annisa Mutiara, thank you for answering those bazillion statistic questions and give me a private lesson. Gamma Alicia Dewi, thank you for acting to be my thesis assessor in both sidang. You really put your time and effort into it and your criticism made me ready for the actual day. Afra Sausan, thank you for answering all of those important and unimportant questions, making my table of contents, and the emotional support. Aditya Hutama, the coach for my final defense, thank you so much.
- My fellow comrade-in-arms; Sylviana Tamara, Kevin Sijabat, and Irdayani Harum thank you for all of the information and support. Special thanks to Icip, my first true friend in accounting, for always be there to listen to my rant, answering all of the unimportant and important questions, revising some of my sentences and basically be there for me since the beginning. Thank you and keep fighting cip, you can do it!

- My H. Hasan kost-mate, Nadya Alexandra, Nissa Alifia, and Olivia Maudira. Thank you for being my 'home' for 3.5 year. Thank you Nadya and Nissa for your non stop 24/7 support, we're literally a knock away. Every time we need something of of each other, we just knock. For instance, a laptop. Thank you for putting up with me borrowing your laptop. Literally my proposal would've not finished this fast if not because you guys' kindness. Olivia Maudira, thank you for your printer lol really in this kosan we use each other stuff a lot. Thanks to you I only need to buy the cartridge and the paper. It really is a pleasure to be in the same roof as you guys.
- My beloved 3.5-year classmate, IUP! Thank you for being there since day one. We through it all together. Thank you for putting up with my ehm, laziness and listening to all of my opinion every time we had a crisis. I swear my college life is much more fun and comfortable because of you guys. Special thanks to Tasya Tiara, my go to chair mate. We are always together even sometimes lecturer called us as one another. Thank you so much with all of your kindness and patience. I know I can always count on you, thank you for those times you went to SBA to checked for my paperwork and accompany me to everywhere even though you can really just go home. Thank you so much. Also thanks to you, Stefan, Jerry and Patrick. Because you guys often had a conversation regarding the stock price in class and shows about your trading experiences, it puts the idea in me about this topic.
- To my seniors; Kak Vioni, Kak Maryam, and Kak Cabi. Thank you for your guidance and kindness. Especially thanks to Kak Vioni that tirelessly answering all of my questions in detail. Thank you for sharing all of your experience and insights to me. It means a lot.
- Thank you to all my 2<sup>nd</sup> IG friends who reads through all of my ups and downs of college life especially Thania, Kamila, and Via. Thanks to Kania and Tita for always be there for me no matter what and stay true to who we are. Thank you to Mazaya who is so supportive and care about my well being. Thank you to Lakeysha who always there to help and kindly share her knowledge. Dinda who is also fighting for her undergraduate thesis in Surabaya, thank you for your support and kind words. And thank you to all of my high school friends that accompany me when making this

undergraduate thesis. Thank you to all those late night skripsian and nongkrong while I'm busy with my laptop lol. I wrote this in front of my friends to be exact in Twenty Fifth, Wijaya with Tita, Fina, Vira, Inta, Monop, Andar, Taco, Adam, Aziz, Aisha, and of course Ardi after we attend Kayla's Engagement party.

- Thank you to Project and Event FMC who always been my family and my comfort zone since the first semester in College. Thank you to 3 periods of Project and Event; Afra, Ghaniyu, Nissa, Iga, Kak Nabiel, Felix, Ame, Alif, Daniel, Gina, Arfi, Putri, Raffi, Yasa, Rensy, Jono. Special thanks to Ame who always been so honest everytime and so cheerful that is contagious, thank you.
- Thank you to Board of Directors of FMC, also my comfort zone. Thank you to Vio, Citra, Indah, Tasya, Mike, Devi, Amut, and Yolanda for all the laugh, the drama, and the unforgettable lesson.
- Thank you to the person in charge for every batch and department, which are; Kak Daniel, Kak Ayut, Ghaniyu, Biya, Mike and Felix. Thank you for helping me share the questionnaire and also answering my questions regarding the investment tutor class. And most importantly thank you to Hafiz Taufiq a.k.a Obeng, for being my informant in management department. Thank you for asking the management database to the head of department, it is not your thesis but you really put a lot of effort to help me.
- Thank you to all respondents which are accounting department batch 2015 and 2016. Also management department batch 2013, 2014, and 2015. Without your kindness to fill my questionnaire, my undergraduate thesis will not be finished. And thank you to all of those kind wishes

Though being far from perfect, this thesis attempts to deliver numerous benefits to the readers. Thus, any suggestion and advice will be highly appreciated to improve this thesis. Hopefully, this thesis could contribute positively to both society and the body of knowledge.
